

**NOTICE OF TERMINATION OF ILLINOIS CARES RX BENEFIT**

Dear Illinois Cares Rx Member:

**We regret to inform you that your Illinois Cares Rx coverage is ending September 1, 2011.** Please read this letter carefully for more information.

Due to Illinois state budget reductions, funding for the Illinois Cares Rx drug coverage program has been significantly reduced. One of the changes is that the income limits to qualify for the program have been lowered. According to our records, your income is too high to continue to qualify for Illinois Cares Rx. This means that **beginning September 1, 2011 you will no longer receive benefits through Illinois Cares Rx.**

The table below shows the new income limits. To qualify for the program, your income would need to be **equal to or less than** these amounts. If your income has changed since you applied and you expect your 2011 income to meet these new limits, you may still qualify for the program. Contact one of the agencies listed at the end of this letter for assistance to file the necessary form (called Schedule P). You may find the Schedule P form at [http://www.state.il.us/aging/1rx/cbrx/cbrx\\_forms.htm](http://www.state.il.us/aging/1rx/cbrx/cbrx_forms.htm).

Household Size 1 (Income Limit)	Household Size 2 (Income Limit)	Household Size 3 (+) (Income Limit)
\$21,780	\$29,420	\$37,060

**Section 1. If You Have Medicare**, the following information applies to you. If you do not have Medicare, please skip to Section 2 (page 2).

If you are enrolled in a Medicare Part D plan, **you will continue to receive prescription drug coverage through that plan.** You will **not** be dropped from your Part D plan because of the change in Illinois Cares Rx.

**Beginning September 1, 2011, if your Part D plan has a monthly premium, you will have to pay it. If you don't pay your premium, you may lose your Part D Coverage.** In most cases, your Part D plan will send you a booklet of premium payment coupons to send in with your checks. However, some plans don't have premiums or your premium may be automatically deducted from your bank account or social security check. Contact your plan with any questions about your premium or to set up an automatic deduction.

Also beginning September 1, **the amount you pay for each prescription you fill may change.** In addition, you will have to pay any remaining deductible (if your Medicare Part D plan has a deductible).

**Contact your Medicare Part D prescription drug plan for specific information regarding your premium and prescription costs.** See page 4 for phone numbers for the Part D plans.

**You can choose a different Medicare Part D plan.** Since you no longer have Illinois Cares Rx, you can switch to a different Medicare drug plan for the rest of 2011 if you wish. You may choose a plan with costs and coverage that better meet your needs. However, if you decide to change plans, you must enroll in the new plan between July 1, 2011 and October 31, 2011.

For assistance comparing drug plan options in your area or enrolling in a different plan, contact one of the agencies listed at the end of this letter or on page 3. If you are in a Medicare Advantage plan that also covers your doctor and hospital care, you may wish to contact the Senior Health Insurance Program (SHIP) at 1-800-548-9034. Or you may visit [www.medicare.gov](http://www.medicare.gov) on the web or call 1-800-MEDICARE (1-800-633-4227); TTY/TDD users should call 1-877-486-2048.

You will have another chance to change plans for 2012 along with everyone else during the regular annual enrollment period (October 15-December 7, 2011.)

**Section 2. If You Do NOT Have Medicare**, the following information applies to you.

You will no longer receive prescription drug coverage through Illinois Cares Rx. Beginning September 1, 2011, you will be responsible for paying the full costs for your medicines.

However, if you have Medicaid, discount programs, private health insurance, or get help through the V.A. that pays your prescription drugs, that coverage will not change.

**Section 3. Illinois Cares Rx \$25.00 Rebate**

If you currently get the monthly rebate, **your checks will stop**. Your August check (sent in September 2011) will be the last one you receive from the program.

**Section 4. Help is Available**
